Cynthia-

I "second" all o the support for Danny Bell for the DSA. He has been a giant in the local section and his efforts were largely completed on his on time.. As an SPEI officer, I am not certain it's proper for me to be an acitive supporter of Danny. That said, if Danny is not qualified, I am not sure anyone is qualifid for this honor. Therefore, I stongly urge the committee to give Danny their full connsideration, it's not a hard decision. He deserves it so we should give him the award.

Best regards,

Bill
