All –

I want to highly recommend Danny Bell for the Distinguished Service Award. Danny has dedicated many hours to the Dallas section in almost every Board position as well as promoting scholarships, social events, study groups, etc. Danny continues to maintain the section's web page including the liaison with the on-line credit card reservation system. Danny is a past chairman of the Dallas section but continues to be involved with the section's board and has held the Technology Transfer position since inception. Danny is also the unofficial photographer for the section at meetings and social events.

I have had the privilege of working with Danny on the Board as well as many section events and functions. Danny exemplifies the type of individual that should be recognized for his dedication to SPE. Danny also volunteers for the Dallas section when needed for national events such as helping when ATCE is held in Dallas. Previously, Danny was actively involved in the Oklahoma City section while he was a member there.

Again, I would strongly urge the committee to acknowledge Danny's commitment to SPE with this award. Thank you for your consideration.

Thanks,

Peggy Tibbetts
